Chattanooga, TN is a playground for pioneers.
Chattanooga ranked as one of the best cities in the world for cheap high-speed internet

Published Aug. 2 2016

Chattanooga is among the best cities in the world — and the top rated city in the United States —...
“1st city in north america to construct a community wide fiber optic network capable of delivering gigabit internet speeds to every home and business within a 600 square mile area.”

“What is Chattanooga?”
